

CROSSTABS

Monthly Harvard-Harris Poll: February 2018

This survey was conducted online within the United States from February 16-19, 2018 among 1,934 registered voters by The Harris Poll.

The results reflect a nationally representative sample. Results were weighted for age within gender, region, race/ethnicity, marital status, household size, income, employment, political party, political ideology, and education where necessary to align them with their actual proportions in the population. Propensity score weighting was also used to adjust for respondents' propensity to be online.

	<i>Base</i>	<i>n=1934</i>
AGE*		
18-34		25%
35-49		24%
50-64		29%
65+		21%
SEX*		
Male		47%
Female		53%
EDUCATION*		
Less than high school degree		8%
High school degree to less than 4 year college degree		57%
4 year college degree or more		35%
RACE/ETHNICITY*		
White		66%
Black/African American		12%
Hispanic		14%
Asian		5%
Other		4%

*Denotes weighting variable

	<i>Base</i>	<i>n=1934</i>
POLITICAL PARTY*		
Democrat		37%
Republican		32%
Independent		29%
Other		2%
LOCALE		
Urban		27%
Suburban		52%
Rural		21%
POLITICAL IDEOLOGY*		
Liberal		26%
Moderate		42%
Conservative		32%

IM12 Undocumented immigrants brought here by their parents are also referred to as DACA recipients. Should DACA recipients be able to bring in their parents into the country with them if they are given a pathway to citizenship, or does this only encourage bringing in more undocumented people to the US?

Summary Of Heard About

Base: All Respondents

	Presidential Election Candidate																	Voted For			Education			Locale			Income	
	Gender			Age				Ethnicity			Political Party			Political Ideology				Clinton	Trump	3rd Party	College Graduate	Some College Or Less	Urban	Suburban	Rural	\$75K Or More	Less Than \$75K	
	Total	Male	Female	18-34	35-49	50-64	65+	White	Hispanic	Black /AA	Other	Republican	Democrat	Independent	Liberal	Moderate	Conservative											
The Steele Dossier, filled with salacious and unverified Russia-related allegations about Donald Trump and other members of his presidential campaign, was based on the hiring of former British spy Christopher Steele and paid for by Fusion GPS, a sub-contractor for the Hillary Clinton campaign and the Democratic National Committee.	1021	564	457	181	237	323	281	700	123	104	54	336	375	297	285	372	364	403	413	100	421	600	259	549	213	469	515

Former FBI Director James Comey testified to the Senate that the FBI couldn't meaningfully corroborate the Steele dossier, but used it anyway in Foreign Intelligence Surveillance Court proceedings because Mr. Steele had previously provided "reliable" information.	1006	530	476	219	251	303	233	689	118	107	39	360	347	289	252	372	383	363	429	90	393	613	268	542	197	467	505

The State Department passed information to the FBI that was sourced by two longstanding Clinton political operatives, Sidney Blumenthal and Cody Shearer, information which was then used as part of the FBI's secret wiretapping warrant to surveil a Trump campaign adviser.	923	500	423	194	207	281	242	640	109	93	38	344	314	253	223	330	371	312	425	82	368	555	229	490	204	422	463

The White House released a Republican Congressional memo which alleges the FBI and the Department of Justice mishandled a secret wiretapping and surveillance application on an American citizen and former Trump campaign adviser, by failing to adequately disclose that the research used in the warrant against him was paid for by the Hillary Clinton campaign and the Democratic National Committee.	724	334	390	186	189	213	136	417	114	125	31	121	345	240	247	361	115	400	109	62	223	501	199	386	139	271	423

Senators Chuck Grassley and Lindsey Graham released a separate Senate memo that alleges that the FBI and the Justice Department relied significantly on the Steele Dossier without verifying it to obtain secret wiretapping warrants on a Trump campaign advisor, and that the dossier author may have lied to the FBI.	721	336	385	202	189	204	125	455	112	94	33	167	336	199	236	336	149	375	148	59	232	489	211	378	133	295	399

BGTI Congressional leaders recently passed a bi-partisan budget bill increasing government spending by \$300bn over the next two years primarily in the areas of defense, disaster relief, and infrastructure, with smaller increases to domestic spending. Do you agree or disagree with this budget bill?

BGT2_12 The bi-partisan budget deal directs lawmakers to include the following elements in any spending bill over the next two years. Do you support or oppose each of the following elements of the bill?

Resolves a couple of left-over issues that were dropped from the tax law signed in December. It would exempt colleges that don't charge tuition from a new tax on private colleges' endowment income.
