### **Monthly Harvard-Harris Poll: March 2019**

This survey was conducted online within the United States from March 25-26, 2019 among 1,437 registered voters by The Harris Poll.

The results reflect a nationally representative sample. Results were weighted for age within gender, region, race/ethnicity, marital status, household size, income, employment, political party, political ideology, and education where necessary to align them with their actual proportions in the population. Propensity score weighting was also used to adjust for respondents' propensity to be online.

The special counsel did not reach a conclusion on the issue of possible obstruction of justice by the President when he fired former FBI director James Comey, and left the decision to the Attorney General, who, along with deputy attorney general Rod Rosenstein, determined the facts and public actions of President Trump did not amount to obstruction of justice, especially since there was no underlying collusion.
