Monthly Harvard-Harris Poll: March 2019

This survey was conducted online within the United States from March 25-26, 2019 among 1,437 registered voters by The Harris Poll.

The results reflect a nationally representative sample. Results were weighted for age within gender, region, race/ethnicity, marital status, household size, income, employment, political party, political ideology, and education where necessary to align them with their actual proportions in the population. Propensity score weighting was also used to adjust for respondents' propensity to be online.

NATLEM0206 In the last two years over 500,000 people were intercepted trying to cross illegally into United States on the southern border with Mexico each year. Only a few thousand try to cross the northern border with Canada. Given these numbers, do you favor or oppose the decision by the President to declare a national emergency to secure the funding he needs to build a wall on the border with Mexico?

INV0308

The special counsel did not reach a conclusion on the issue of possible obstruction of justice by the President when he fired former FBI director James Comey, and left the decision to the Attorney General, who, along with deputy attorney general Rod Rosenstein, determined the facts and public actions of President Trump did not amount to obstruction of justice, especially since there was no underlying collusion.

Do you agree or disagree with this conclusion?
