Field Dates: March 23-24, 2022
SURVEY METHOD

This survey was conducted online within the United States from **Field Dates: March 23-24, 2022 among 1,990 registered voters** by The Harris Poll.

Results were weighted for age within gender, region, race/ethnicity, marital status, household size, income, employment, education, political party, and political ideology where necessary to align them with their actual proportions in the population. Propensity score weighting was also used to adjust for respondents’ propensity to be online.

*The poll was supervised by pollsters:*

**Mark Penn** (Chairman, The Harris Poll)

**Dritan Neshe** (CEO, HarrisX)

**Prof. Stephen Ansolabehere** (CAPS Director, Harvard)
