VZ2 Maduro and his top people have all been indicted by the United States for narco-terrorism and other charges, and there is a \$50 million reward for his capture by the U.S. government. Maduro lost the last election and he has tanked the economy, but kept in power anyway and as a result millions of Venezuelans have entered the US as a result. Given this situation on the ground, should the president of Venezuela Nicolas Maduro be removed from office or not?

VISA1 H-1B visas are temporary visas for highly skilled people who are allowed to work in the U.S. Many of the visas are used in engineering and software fields. They are only granted for jobs that U.S. companies say they cannot fill locally.

Do you support or oppose the granting of H-1B visas?

ISR_OCT2 The plan calls for a two-phase plan: 1) all hostages to be released immediately and for Hamas to lay down its weapons and leave. In exchange Israel would release over 1,000 prisoners, which has been completed. And 2) Arab governments and representatives of the US would helping to administer Gaza as Israel withdraws. A security buffer would be set up and a path would be provided for a Palestinian state so long as Israel was recognized by the Palestinians and groups within the country give up trying to destroy Israel. In general, is this a plan you support or oppose?
