We have to stop these kinds of policies.

We need to support the President and our country given the dangerous world we face. The president is working to prevent Iran from having a nuclear weapon, to stop China from expanding its global control, to end Russia's war in Ukraine, and to combat the drug cartels on our borders. Democrats would block or undo all of these efforts.

 Table 135

MID0815GOP4A How believable is this statement?

The left has taken over the Democratic party and voting for Democrats is handing power to the Democratic Socialists who are fundamentally antisemitic and anti-American.
 The DSA wants to end the U.S. Constitution as we know it, and all of the checks and balances on runaway government power.
