

HARVARD CAPS HARRIS POLL

Field Dates: June 26-29, 2019

SURVEY METHOD

This survey was conducted online within the United States from **Field Dates: June 26-29, 2019** among **2,182 registered voters** by The Harris Poll.

Results were weighted for age within gender, region, race/ethnicity, marital status, household size, income, employment, education, political party, and political ideology where necessary to align them with their actual proportions in the population. Propensity score weighting was also used to adjust for respondents' propensity to be online.

Pollsters Mark Penn, Prof. Stephen Ansolabehere, and Dritan Nesho supervised the poll.
