

# HARVARD CAPS HARRIS POLL

**Field Dates:** November 17-19, 2020

## SURVEY METHOD

This survey was conducted online within the United States from **Field Dates: November 17-19, 2020** among **2,205 registered voters** by The Harris Poll.

Results were weighted for age within gender, region, race/ethnicity, marital status, household size, income, employment, education, political party, and political ideology where necessary to align them with their actual proportions in the population. Propensity score weighting was also used to adjust for respondents' propensity to be online.

*Pollsters **Mark Penn** (Chairman, The Harris Poll), **Dritan Nesho** (CEO, HarrisX) and **Prof. Stephen Ansolabehere** (CAPS Director, Harvard) supervised the poll.*
