Monthly Harvard CAPS-Harris Poll: September 2024

This survey was conducted online within the United States on September 4-5, 2024 among 2,358 registered voters by The Harris Poll.

The results reflect a nationally representative sample. Results were weighted for age within gender, region, race/ethnicity, marital status, household size, income, employment, political party, political ideology, and education where necessary to align them with their actual proportions in the population.
