## Monthly Harvard CAPS-Harris Poll: March 2025

This survey was conducted online within the United States on March 26-27, 2025 among 2,746 registered voters by The Harris Poll.

The results reflect a nationally representative sample. Results were weighted for age within gender, region, race/ethnicity, marital status, household size, income, employment, political party, political ideology, and education where necessary to align them with their actual proportions in the population.
