## Monthly Harvard CAPS-Harris Poll: April 2026

This survey was conducted online within the United States on April 23-26, 2026 among 2,746 registered voters by The Harris Poll.

The results reflect a nationally representative sample. Results were weighted for age within gender, region, race/ethnicity, marital status, household size, income, employment, political party, political ideology, and education where necessary to align them with their actual proportions in the population.
